Suggestions

Design to be colorful, using at least three colors and possibly other symbols

Keep the design simple.

Use meaningful symbolism: images, colors, or patterns should relate to what it symbolizes.

Be distinctive, avoid duplication of other album covers.

Acrylic paint may be the best option for the material.

Album Covers are due to Kurt Klier (x65681) or Natalie Taylor (x65382) at the Eppley Recreation Center by 10am on June 5th.
